A true matriarch of the breed, Rio Lezawe EOT 9E3 is royally bred, and produces that way. She is a grandlady, measuring 86.5". Her sire, JP Rio Grande, is one of the most important and prolific bulls in the breed's history, and exactly the same can be said about her dam, Tabasco's Lezawe - one of the true foundation females of the Bowman's End Of Trail Ranch. This family line is deeply influential throughout the entire breed. She is a
